设计理念 / Design Concept

在张勇看来，设计应该是触动心灵的，应该是触发美感的，应该是激发体验的，应该是引领方向的。在他的带领下，触觉设计用了10余年的积累和坚持，不断创造出新的生活方式与人居环境，实现了空间设计的最高价值，让设计成

为一段思考的旅程，既能让人回忆起以往的某个瞬间，又能将我们带入不一样于此刻的未来。

In Yong Zhang's opinion, design should touch the heart, trigger the aesthetic feeling, stimulate the experience and guide the direction. Under his leadership, Touch Design has spent more than 10 years of accumulation and persistence, constantly creating a new life style and living environment, realizing the highest value of space design, making design a journey of thinking, which can not only remind people of a moment in the past, but also bring us into a future different from the present.
